PREFACE

Youth cannot hope for a better friend, philosopher and guide than Swami Vivekananda, and this short sketch of his great biography is intended to be an introduction to his profundity. A perusal of it will, we dare say, be an impulsion to boys and girls to take to a more detailed study of his life and message.

Among the makers of modern India Vivekananda holds the pride of place. It is under his banner that Indian youth can safely travel to the Golden City.

May our youth march through prosperity to Perfection in the footsteps of this Awakener of souls!
