**PREMAMRUTA SAGAR OF RADHA  
RADHA'S OCEAN OF LOVE NECTAR**

Satya Pal Ruhela

Among the various modes of worship of God, *Madhura Bhava Bhakti* i.e., worship through amorous sentiment - treating God as one's lover or real husband - is considered to be the highest kind of worship.

This compilation is focussed on the unique tradition of *Madhura Bhava Bhakti* in India. Lord Sri Krishna was the Avatar of Love. Sri Radha, Sri Krishna's *Hladini Shakti* (Bliss Enrupturing Power), worshipped him as her Divine Lover in the supreme *Madhura Bhava Bhakti*. This unique tradition has since then been carried forward by Andala, Mirabai, Chaitanya Mahaprabhu and now by Vasantha Sai who is Sri Radha's present reincarnation and worships her Sai Krishna - Sri Sathya Sai Baba of Puttaparthi - as her Divine Lover and spiritual Master.

Professor Satya Pal Ruhela is an internationally renowned sociological educationist and spiritualist specializing in the currently popular Sai Baba phenomenon.
