"ONAM" BY UPENDRANATH T.R., 2000, PAPER COLLAGE,  
COLLECTION OF THE ARTIST

UPENDRANATH T.R.'s collage celebrates Onam, the annual harvest festival of Kerala, when Mahabali its legendary ruler is believed to visit his faithful subjects. "Onam has grown very commercial today," laments the 31-year-old Kochi artist, who attempts here to recapture the "childlike charm it used to have." Upendranath's collages are created out of scraps of waste paper.
