"LADY OF THE HOUSE," — 1999, TEMPERA ON CANVAS, 50 X 60 CMS  
BY NEW DELHI ARTIST DEEPANKAR MAJUMDAR.

ARTIST Deepankar Majumdar, 42, celebrates Indian womanhood. "Drawing on my Bengali roots," says the artist, "I try to depict the inner woman rather than just paint her outward appearance." In this powerful portrait, a lady—with eyes reminiscent of goddess Durga—holds a traditional silver key-chain to symbolize the power she wields over her household.
