## THE AUTHOR OF THIS BOOK KNOWS THE UNDERWORLD.

Joseph F. Dinnoen has been a crime reporter for the *Boston Globe* for 25 years. He helped break the Millens-Faber gang in Boston. His earlier book, *The Anatomy of a Crime*, was patterned on the Brink's case and revealed details of the robbery that were later confirmed by official accounts.

In *Underworld U. S. A.* he takes as his model another incredibly daring robbery that occurred in a New England city.

The result is an enthralling and exciting case history of a criminal, a crime and the deadly syndicate that watched in the background.
