Dorland's
POCKET MEDICAL DICTIONARY
4th Edition

This dictionary, revised and brought up-to-date, presents the latest in medical terminology and fulfills in a compact and concise form all the three primary functions of a dictionary, viz., the provision of spelling, pronunciation, and sense.

For the convenience of your fingertips, you will find spelling, pronunciation and definition, the long-proved terms, meanings and brief illustrations in the dictionary at a glance and in alphabetical order.

The twenty-first edition contains 16 pages of condensed discussions which will be invaluable to all associated with medicine.
