The Five Booms of Life, Was It Heaven? or Hell?

## MARK TWAIN

The *Mysterious Stranger* is that rarity in the work of Mark Twain—a novelette in which the author turns his satiric, free-wheeling wit to the problem of Eternal Evil in a distant time and place. In the other eight stories presented here Twain debunks his Gilded Age: he ransacks the back yards of daily life and fable to find his notorious, sometimes preposterous, metaphors. He is as apt to deal with the great minds of the law hunting a wayward elephant as with a man who has a bank-note no one can cash.

"Mark Twain transcends all other American humorists. . . . There is always . . . the companionship of a spirit which is at once delightfully open and deliciously shrewd."—William Dean Howells
