A. J. Cronin

Dearest Chitra,

This comes with wishes
for the very best for you,
your life through.

With lots of love,

Asha-Bethuja.

BOOK THREE	page 397

'A rich and rare panorama.'

Sunday Times

This is a book about life — ugly, beautiful, ironic, heroic and despairing . . . and a book about people — about miners, their land, their lives, their passions, their fights and their scars. It is a book, deep in human sympathy, to stir the conscience of a nation.
