**'Fascinating'**  
TIT

"Deftly controlled undertones  
of scandal and sex... skillful  
flashes of wit and irony...  
well-told, engrossing... chilling."

ELIOT FREMONT-SMITH, *The New York Times*

BY THE AUTHOR OF **MYRA BRECKINRIDGE**

A SIGNET BOOK

Published by THE NEW AMERICAN LIBRARY

# Washington, D.C.

The raw, raging best seller  
about politics on Capitol Hill  
from the New Deal to the New Frontier—  
the fall of a renowned Senator  
and the rise of his jugular-minded  
protégé who cashes in on scandal,  
betrayal and sexual blackmail  
as he claws his way to the pinnacle  
of power.

"Superb... Vidal handles the interplay  
of personality and power with rare  
skill... sustains constant interest  
and more than a little suspense."  
JOHN KENNETH GALBRAITH

"Mr. Vidal has achieved a *tour de force*  
that I'm sure no other American novelist  
could come near. 'Washington, D.C.' is  
written with an elegant, sharp clarity  
of style and wit."  
PETER BUTTENHUIS, *Harpes's*

"A Sodom of political corruption and  
diseased ambitions... exciting stuff."  
*Boston Globe*
