FOREWORD

Dr. K. SEKAR, M.A., M.Ed., Ph.D.

*Principal,
Urumu Dhanalakshmi College,
Kattur, Trichy - 19.*

The Department of English has many credits to be proud of in the academic achievement of our college.

The Bridge Intensive Course is conducted by the Department of English, with the cooperation of the members from all faculties. This course helps the students familiarize themselves with English and prepares them to take their courses through the English medium.

The course co-ordinator and Head of the Department of English, Prof. David Sydney Basil, has done his best with his team to bring this book out for the benefit of the students.

I wish him all success.
