**ACROSS THREE CONTINENTS
AND FOUR DECADES...
HERE IS HEMINGWAY—
THE ADVENTURER,
THE REPORTER, THE MAN!**

More intimately than all his fiction, Hemingway the reporter reveals Hemingway the man — driving an ambulance through a bullet-barrage or leading guerilla forces into Paris — always in the thick of the action.

Here are his most sensational dispatches — the grisly truth about Mussolini, the horrors of total war, the rootless expatriates of the Lost Generation, the blood and beauty of bullfighting and big game hunting . . .

Here are the behind-the-scenes stories that became **FOR WHOM THE BELL TOLLS**, **A FAREWELL TO ARMS**, and **THE SUN ALSO RISES**.
