'Keeping a journal empowers you to see and improve on a day-to-day basis. You gain valuable insight into repeating patterns and themes in your life. It nurtures in you a sense of gratitude for all that you're learning and for the blessings of your life.' Stephen R. Covey

In *The 7 Habits of Highly Effective People* Stephen R. Covey presented a holistic, integrated, principle-centred approach for solving personal and professional problems. Now comes *The 7 Habits Journal* to aid and exhilarate your journey into personal growth and self-renewal. With 'highly effective' quotes and a foreword from Stephen R. Covey, this daily journal is an important step towards achieving those principles of fairness, integrity, honesty and success.
