The bizarre bestseller of love, sex and gold gone mad!

They're two virile, beautiful people on the run. He's discovered the secret of turning lead into gold — and she's quite, quite naked beneath her superb mink coat.

They're on the run from Russian and American secret agents who all want the formula. Here in a mad whirl of sex, drugs, smuggling and kidnapping is a novel you just can't put down.

And it contains all the famous ingredients that made Robert Rimmer's **THE HARRAD EXPERIMENT** a million-seller around the world!
