*Yada yada hi Premasya glanir bhavati
Vasantha
Abhyutthanamapremasya tadatmanam
Srijamyaham*

Whenever there is a decline of Prema and a rise
in lovelessness, O Vasantha, then I manifest Myself.

*Paritranaaya Sarvajanaam Karunyayacha duskritam
Premasamsthapanarthaya Sambhavami Kali Yuge*

For the protection of all,
For compassion to the wicked,
And the establishment of Prema,
I am born in Kali Yuga.
