## OM SRI SAI RAM

### *The Authoress of the book - an introduction*

Mrs. Vasantha Manoharan, the authoress of the book, "LIBERATION HERE ITSELF RIGHT NOW" hails from a small village by name Vadakkampatti, 3 K.M. west of Kallikudi near Thirumangalam in Madurai District. Her father Madhurakavi Alwar was a freedom fighter. It is noteworthy that he presented the Khadi cloth to Mahatma Gandhi which he himself had spun and woven from the cotton planted in his home garden. Her mother was Mrs. Vedavalli. They are a devout Vaishnavite family.

Mrs. Vasantha, being an ardent devotee of Lord Krishna, has got the spark of Bhakthi which turned into a flame in the long run to make her know about the eternal blessing. At the age of 35, when she was in meditation one day, she got the intuition from Lord Krishna that Sri Sathya Sai Baba of Pattapartni is none other than his own incarnation. From that day onwards she became a "Sai Bhakthai". She wrote in her book "Sri Sai Gananjali" hundreds of verses in praise of Sri Sathya Sai Baba.

Later, Mrs. Vasantha used to get Darshan of Sri Sathya Sai Baba often in her meditation which enriched her with incredible and strange divine experiences. "THE LIBERATION HERE ITSELF RIGHT NOW" is an anthology of such holy experiences obtained from Sri Sathya Sai Baba as revealed to the authoress.

This introduction will make you understand definitely the bliss, when you go deep into the contents of the book. Let us enjoy the ecstasy.

Jai Sai Ram.
