Bliss Bliss Bliss Part 2 is a roller coaster ride through the incredible first year of the new age. With the opening of Mukthi Nilayam Ashram on October 19, 2002, Bhagavan Sathya Sai Baba revealed that the Golden Age of Truth, the Sathya Yuga had begun.

He said, "Vaikunta has come here as Mukthi Nilayam to give liberation to all...people will be transformed in a spiritual awakening. They will become great souls of love and wisdom. The whole world will become Vaikunta, a heaven of total peace and bliss. There will be no trace of sorrow or fear."

The world of Sri Vasantha Sai is one of pure reflection of God, the many expressions for her innate love for Sri Sathya Sai Baba. This is not merely a compilation of spiritual experiences; it is the journey of one who has shown that the goal of human birth is to gain freedom from the cycle of birth and death, to live the eternal life of Oneness with God. The world altering emotions of Radha's Prema resound from every page of every chapter. Filled with incredible experiences at every turn, *Bliss Bliss Bliss Part 2* is proof that the ways of the Lord are truly inexplicable.
