The book may be read by all devotees of God. Those who enjoy delving into the incredible transcendence and ever-unfolding play of divinity, will marvel at these readings. In this collection of talks, the talks, songs and writings declare the presence of the Anandhad of Sri Satguru Sri Baba and reveal the incredible conclusion of His mission of ushering in the Golden Age: the Satguru Yuga, the Shakti Yuga. Any doubts regarding the identity of His presence and their relationship of pure expansion are laid to rest by these enlightening readings. They are but an echo of the prophetic words of Sri Krishna Anand.

"Though His Anu left His physical body, the same Anu will come again and attain the same physical form. This is destiny... He will not be in an aged body or a young body, but middle aged..."  
...Vasundhara Nadi (2006)

"...now at this time, he (Anu) is no longer in the physical body. He will come again in a new body. This will be an auspicious day for Mother."  
...Kings Nadi

"He will then descend here, His body being the age of 35 to 40 years of age. He will be reborn on this earth in a body of this age. Only then will He reveal Himself to the world and all will know the truth."  
...Mochhanandi Nadi
