JEFFREY ARCHER

'A storyteller in the class of Alexandre Dumas'

Washington Post

The thirty-six stories, drawn from the three volumes - *A Quiver Full of Arrows*, *A Twist in the Tale* and *Twelve Red Herrings* - show Jeffrey Archer at the peak of his form. His mastery of characterisation and suspense, combined with his great gift for the unexpected plot twist, provides a feast of entertainment for readers old and new.

'There is no arguing with Archer's inventiveness, his drive and his easy, effervescent style'

Sunday Telegraph

'Stylish, witty and constantly entertaining ... Jeffrey Archer has a natural aptitude for short stories'

The Times
