The **ENGLISH LANGUAGE BOOK SOCIETY**, in addition to its low-priced editions of specialist works, publishes a variety of new series for the non-specialist.

Each volume has been selected for its high standard of accuracy and usefulness or interest, and is now available at a lower price than ever before.

If you would like to see other titles added to this 'Practical Books' Series or are interested in other subjects, send your suggestions and enquiries to:

*The English Language Book Society,
Box 295, Wimpole Street,
London, W.1.*

All books published by the Society carry this label—and the name of the appropriate series:

**E L
