<i>Thinking Too Much Is Somebody Else's Problem</i>	
<i>The Good, the Bad, and the In-between</i>	
<i>Thinking and Listening</i>	
<i>Freedom and Thinking</i>	
<i>Time and Efficiency</i>	
<i>Paradox and Thinking with Integrity</i>	
2: Consciousness	65
<i>The Mystery of Consciousness</i>	
<i>Revisiting Our Frontal Lobes</i>	
<i>Lessons from Genesis 3</i>	
<i>Good and Evil</i>	
<i>Evil, Sin, and Other Distinctions</i>	
<i>The Shadow</i>	
<i>Consciousness and Competence</i>	
<i>The Consciousness of Death</i>	
<i>Traveling with God</i>	

In his extraordinarily profound new book, M. Scott Peck continues the journey of spiritual growth that began with one of the most influential works of modern times: *The Road Less Travelled*.

Now, in *The Road Less Travelled & Beyond*, he leads us to a deeper awareness of how to live rich, fulfilling

lives in a world fraught with stress and confusion. The greatest challenge, he says, is to learn to deal with life's conflicts, problems and paradoxes in order to find the true simplicity that lies on the other side of complexity.

Drawing on a lifetime's experience as a counsellor, lecturer and writer, M. Scott Peck shows us how to:

- ◆ Think with integrity
- ◆ Know the difference between good and evil
- ◆ Love and be loved
- ◆ Accept the consequences of our actions throughout life
- ◆ Come to terms with dying and death

And, with a unique blend of psychological insight and deep spirituality, he explains that, although there are no easy answers, life, learning and spiritual growth are an adventure - even in this age of anxiety.
